SpecTek Buyers Guide >> NAND

Grade	Product Type	Yield	Customer Application	RMA Policy	Technical Notes	Web Links
AS	Package	~ 97%	PCIe/SATA Consumer SSDs, USB/SD	YES – 90 Days Warranty < 1,000pcs RMAs NOT Accepted	<ul style="list-style-type: none"> Datasheet Support. Use Factory Marked Blocks Sample MPN: FBNN48R4T1KLMAEJ4-AS 	<ul style="list-style-type: none"> RMA Rapid Response NAND Component/Die/Wafer Part Number Guide Online Decoder Device Markings SpecTek Datasheets Roadmap Questions / Feedback
PG	Package	~ 45% (140s only) ~ 70% (150s & Newer)	SATA Consumer SSDs, USB/ SD	NO RMA: will only review cases if yield loss is significant	<ul style="list-style-type: none"> NVB Not Guaranteed. Sorting Needed No Datasheet, Single/double plane firmware recommended Sample MPN: FBMB27A8T0KTWAFM5-PG 	
UT	Package	~ 80%	PCIe/SATA Consumer SSDs, USB/SD	NO RMA: will only review cases if yield loss is significant	<ul style="list-style-type: none"> NVB Not Guaranteed. Sorting Needed No Datasheet Sample MPN: FBMB47R8T0KLWAEM5-UT 	
E0	Uncut Wafer	~ 95%	PCIe/SATA Consumer SSDs, USB/SD, Mobile	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Datasheet Support. Use Factory Marked Blocks Wafer Maps and Bonding Diagram available Sample MPN: WCV60ANNXAA-NAE0A 	
<u>E8</u>	Cut Die on Reconstructed Wafer	~ 80%	PCIe/SATA Consumer SSDs, USB/SD	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Bonding Diagram Only. Sorting Needed Sample MPN: W1UB47RDUNXNZ-NAE8U 	
<u>E5</u>	Cut Die on Reconstructed Wafer	~ 50%	Consumer SATA SSDs, USB/SD	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Bonding Diagram Only. Sorting Needed Sample MPN: W3UB47RDUNXNZ-NAE5U 	
<u>E4</u>	Cut Die on Reconstructed Wafer	~ 40%	Consumer SATA SSDs, USB/SD	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Bonding Diagram Only. Sorting Needed Sample MPN: WVUB16ADUNXNZ-NAE4U 	
<u>EW</u>	Carcass Die on Uncut Wafer	N/A	N/A	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Bonding Diagram Only. Sorting Needed Sample MPN: WBUN58RDBNXNZ-NAEWA 	
<u>EX</u>	Carcass Die	N/A	N/A	NO RMA on Wafer/Die	<ul style="list-style-type: none"> Die Left on blue tape after all Micron and SpecTek die picked Sample MPN: WBUL84DDBNXNZ-NAEXA 	

General Support Notes (READ):

- Yield estimates are averaged and may vary lot to lot. Yields also influenced by controllers and firmware capabilities and validated on limited number of common controllers.
- Data stored on the media prior to IR Reflow could damage the cell structure and reduce the Program/Erase cycles significantly. It is recommended that all blocks be in the erased state prior to IR Reflow.
- Cosmetic Defects are not covered under SpecTek RMA Policy. All RMAs **must** be returned in either the original packaging or an ESD safe container(trays, tape and reel) or the RMA may be rejected.
- Consumer SSDs: SSDs with Non-Binary Densities such as 240GB, 480GB, 960GB.

PG	Package	~ 50%	UDIMM / CUDIMM Module	<ul style="list-style-type: none"> No RMA: will only review cases if yield loss is significant 	<ul style="list-style-type: none"> Partially Good components No Datasheet Component Testing Required ³ Sample MPN: SUM1G16Z22AD8RC-PG 	

General Support Notes (READ):

- Yield ¹: Based on MemTest test software.
- Testing Recommended ²: Component testing is recommended prior to assembly.
- Testing Required ³: Customer **must** test the product before assembly.
- Cosmetic Defects are not covered under RMA Policy. All RMAs must be returned in either the original packaging or an ESD safe container(trays, tape and reel) or the RMA may be rejected.
- Testing Recommended ⁴ for OC timings above JEDEC rated timings

SpecTek Buyers Guide >> Low Power DRAM & MCPs
